Read Kafka's most famous story in the German he wrote it in.

> *Als Gregor Samsa eines Morgens aus unruhigen Träumen erwachte, fand er sich in seinem Bett zu einem ungeheueren Ungeziefer verwandelt.*

One morning a travelling salesman wakes up as a giant insect, and his first worry is the train he has missed. This edition gives English-speaking learners the complete original text, with the help to read it without a dictionary.

- Twelve reading stages of about 20 minutes each
- 855 words explained in the margin, beside the line they are on
- 76 notes on grammar, idioms and Prague German
- The unabridged 1917 text, with a guide to its spelling

In 1915 Kafka asked his publisher that the insect never be drawn on the cover. This one keeps his wish.
